

Limitless Applications

- Under Bar Lighting
- Shelf Lighting
- TV Backlighting
- Liquor Bottle Racks
- & More

Wi-Fi LED Lighting Network

- 1,400 Ft² Coverage Per Antenna
- Combine Multiple Antennas
- Controls An Unlimited # of LEDs
- Attaches to any Addressable Form of LEDs
- Customizable Interface & Patterns
- Capable of Mapping LEDs to environment
- Easy to use 7" Touch Screen Interface
- RGB, White, Holiday, Team Colors & More
- Brightness & Custom Zone Control

Using FamousMods' proprietary WiFi LED Lighting network grants you total control over the look & feel of your surroundings. Go from white, to team/holiday, or even random colors with the press of a button, your commands take effect instantly and accross your entire establishment. Our color control technology creates subtle ambient patterns that bring extra life to any location.

Bar & Restaurant LED Lighting Cost Breakdown

Requirements

- LED Network **MUST** have one Touchscreen and **AT LEAST** one antenna in order to function.
- Each Lighting location also **MUST** have a LED Controller & sufficient power supply.

Suggested Uses

Under Bar

TV Back-lighting

Liquor Shelf

Deck Under Rail • Landscape • Stage • Wall Up-lighting • Crown Molding • & More

Item	Description	Cost	Notes
	Touchscreen Interface	\$200.00	- Only one per LED Network
	Wi-Fi Antenna	\$95.00	- 1,400 Ft ² Coverage - Combine multiple for additional coverage
	LED Controller	\$30.00	- Drives up to 1000 LEDs - Requires sufficient power - Power dependent on LEDs
	16.4 Ft LED Strip	\$80.00	- Can chain together multiple - Indoor & Outdoor Use IP68 - 3M VHB Foam tape backing
	10 Ft 3-LED Bars	\$30.00	- Can chain together multiple - Indoor use only - 3M tape backing
	10W LED Spotlight	\$85.00	- Indoor & Outdoor Use IP68 - Requires Low-Voltage AC Power Supply

Item	Description	Cost	Notes
	30W Power Supply	\$15.00	- Great for 3-LED Bars
	120W Power Supply	\$25.00	- LED Strips & Long runs of 3-LED Bars
	360W Power Supply	\$40.00	- Large installations - Requires additional wire
	45W - 300W Low Voltage AC Power	\$50 - \$115.00	- For spot lights - 1 light per 10W
	Installation	\$75 / Hour	- Hours dependant on applications

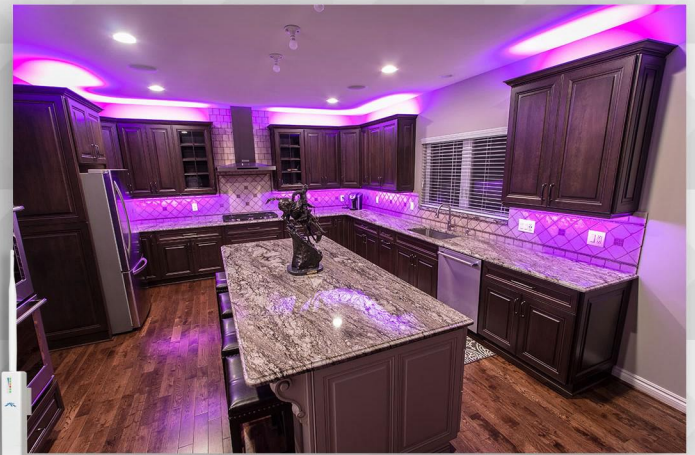

Wi-Fi LED Cabinet Lighting

- Centralized Touch Screen Control
- White + Moving Colors
- Easy Plug & Play Installation
- & More

Specifications

- >50,000 Hours Runtime
- 1,400 Ft² Coverage Per Antenna
- Combine Multiple Antennas
- Customizable Interface & Patterns
- Capable of Mapping LEDs to Kitchen
- 7" Touch Screen Interface
- RGB, White, Holiday, Team Colors & More Patterns
- Brightness & Custom Zone Control
- Near Infinite Scalability

Item	Description	Cost	Notes
	Touchscreen Interface	\$200.00	- Only one per LED Network
	Wi-Fi Antenna	\$95.00	- 1,400 Ft ² Coverage - Combine multiple for additional coverage
	LED Controller	\$30.00	- Drives up to 1000 LEDs - Requires sufficient power - Power dependent on LEDs
	Custom Length Strip / Foot	\$9.00	- Indoor & Outdoor Use IP68 - 3M VHB Foam tape backing

Item	Description	Cost	Notes
	Custom Length 3Bar / Foot	\$5.00	- Indoor Use - 3M tape backing
	30W Power Supply	\$15.00	- Great for 3-LED Bars
	120W Power Supply	\$25.00	- LED Strips & Long runs of 3-LED Bars
	Installation	\$75 / Hour	- Hours dependent on applications

Wi-Fi LED Deck Lighting

- Weather Proof Construction
- White + Moving Colors
- Centralized Touch Screen Control & More

Specifications

- >50,000 Hours Runtime
- 1,400 Ft² Coverage Per Antenna
- Combine Multiple Antennas
- Controls An Unlimited # of LEDs
- Customizable Interface & Patterns
- Mapping LEDs to Deck Layout
- 7" Touch Screen Interface
- RGB, White, Holiday, Team Colors & More Included
- Brightness & Custom Zone Control
- Near Infinite Scalability

Item	Description	Cost	Notes
	Touchscreen Interface	\$200.00	- Must be mounted indoors - Only one per LED Network
	Wi-Fi Antenna	\$95.00	- 1,400 Ft ² Coverage - Combine multiple for additional coverage
	LED Controller	\$30.00	- Drives up to 1000 LEDs - Requires sufficient power - Power dependent on LEDs
	16.4 Ft Strip	\$80.00	- Indoor & Outdoor Use IP68 - 3M VHB Foam tape backing

Item	Description	Cost	Notes
	Custom Length	\$9.00 / Foot	- Indoor & Outdoor Use IP68 - 3M VHB Foam tape backing
	Aluminum Track	\$5.00 / Foot	- Cleaner Finish - Aims LED Outward
	360W Power Supply	\$40.00	- Up to 375 Ft of LED Strip - Requires additional wire
	Installation	\$75 / Hour	- Hours dependent on Size & Complexity of Deck

Wi-Fi LED Window Lighting

FamousMods LED Snowboard Lighting Kit

- 12V 6000mAh Battery & Charger
- 8+ Hours Runtime
- 16.4 Ft of LEDs
- Lifetime: >50,000 Hours
- Extra Strength 3M Adhesive
- IP68: Waterproof & Submersible
- RF Remote Controlled
- RGB & 200+ Patterns
- Brightness & Speed Controls

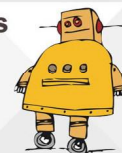

What sets our Snowboard LED Kit apart from the competition is the unmatched quality of the LED Strips and Components used. Thanks to the Automotive grade 3M adhesive used in our strips are made to stay. Fully encased in a durable and flexible epoxy. Combined with our waterproof, screw-on barrel connectors and your LEDs are more than safe from the snow.
